

I Just Couldn't See It

"You were shown these things so that you might know that the Lord is God; besides him there is no other."

Dueteronomy 4: 34-35

Remember those High School days of old when studying the greek gods and other idols? Many of us thought, "how in the world could someone worship or take seriously these false gods"?

In the late 90's, I worked with the School of Mines and Technology students in Rapid City, S.D. There was a young man who embraced the Bahá'í Religion, which taught that all religions had credibility and sought for the unity of all. He asked me about Christianity, then concluded an equal religion to Bahá'í. Huh?

After meeting that young man and reflecting on our conversation, I quickly understood that people really do worship other gods.

Quite possibly the main idol in opposition to Christianity is Moloch. This canaanite idol worshipped by the Jews literally means "king", and appears in the Old Testament. Though this idol condemned, it was kept alive into the 21st Century primarily by the promise of financial success.

Two things strike me about Moloch: 1) Child Sacrifice and 2) a transgender idol.

Child Sacrifice

Did anyone really sacrifice their child to Moloch? Yes. Historically, this is clearly proven.

But what about today? Yes, according to Mel Gibson. Mel has blown the whistle on pedophilia and child sacrifice in Hollywood. He said:

"the key players in the movie business perform sacred rituals that are sick and totally at odds with the moral fabric that binds most patriotic Americans. The worst part: It's an open secret in Hollywood and everyone wants in on it".

Mel calls those who control Hollywood "parasites" because they are involved in killing of babies and pedophilia. Mel goes deeper into the religion of Hollywood in this article here: (<https://perma.cc/R2KE-FGPD>)

Another dimension of child sacrifice is abortion. Abortion has been heightened by the movement of Margaret Sanger, the found of Planned Parenthood. Margaret, who was racist, desired to root our African American brothers and sisters through abortion. As you are fully aware, abortion was made legal in the United States in the early 1970's. The United States can legally sacrifice babies. Millions of babies. I am not sure why this doesn't bother more people!

Let's take a look at another attribute of Moloch; the transgender idol.

Why transgender? This goes back to Genesis in the creation story. God made humans in His "image and likeness" (Gen.1:27). Satan or moloch intends to androgenize male and female, which distorts the identity of humans, blending the genders. When this happens, the sexual act no longer belongs strictly to male and female, it ventures out into other immoral possibilities. In these immoral practices, God cannot put His "images and likenesses" on the planet through the family model; male and female.

If you distort the conjugal act, which is to be beautiful in essence to self gain or self pleasure, then it hijacks God's plan for the procreative and the unitive end of marriage. If the ends of marriage become distorted, the family breaks down. If the family breaks down, the culture breaks down. When the culture breaks down, the door opens to full total chaos! And in chaos, it is very difficult to transmit the truths of God.

You see, it's all a part of the Luciferian plan.

Let's get back to Hollywood for a second. Have you noticed how many Hollywood Stars have transgendered their children? Here's a few: Cynthia Nixon, Charlize Theron, Ally Sheedy, Annette Benning and Warren Beaty, Angela Jolie and Brad Pitt, Jade and Will Smith.

Why? Why do so many stars have transgender children? In doing some research, it seems if you worship Moloch, you must sacrifice your child or transgender them. Is it possible the hollywood culture is doing just that, worshipping Moloch? Let's use some reasoning skills here.

Hollywood puts out fifth; pornography, adultery, pre-marital sex, it glorifies violence, pushes the homosexual and transgender agenda, promotes self partnering, pushes the woman's right to abortion, has a lust for money, God is not promoted . . . and we pay for it by attending their movies and transcend the humanity of stars as superhuman!

You know there's a problem when I cannot take my children into the movie sections at Walmart. Now, I screen movie trailers and television commercials because many are vile.

It's difficult to watch a football game because of the inappropriate commercials. Our family edges closer all the time putting away the television once and for all.

Is it possible Hollywood is worshipping Moloch? Maybe we should take a closer look at what Mel Gibson is saying.

Is Hollywood an Idol?

This is an interesting question. Christians worship Yahweh, the Trinity. Our time should go to the Trinity and the Christian Church. Period. Where is most of our time really spent?

Most families, if you look through their movie catalogue, can find several Disney movies. And since women have gone to work with young children, Disney has become part of the babysitting process. Disney has become a babysitter.

So our children grow up with a Disney knowledge base, but not a bible knowledge base, generally speaking. Ask a child to sing a song from the movie "Frozen", and they will sing "Let it go". Ask that same child to name the books of the Pentateuch, and they have no idea. Nor can they walk you through the 10 Commandments.

But they know what happened to Bambi!

Who's forming our children? Disney, right out of Hollywood. Now, let's say Mel Gibson is accurate in his description of Hollywood. Then these very same people who kill babies and drink their blood are forming our children through the television screen.

Who is it that we worship? Another way to answer this question is: how am I investing my time? It wouldn't take very long for anyone to answer this question. I suspect most people do not give God the proper amount of time in their weekly schedule.

I have said this before, the average American gives God one hour a week, and thirty-five hours of television. It seems pretty clear what many Americans are idolizing!

Deuteronomy 4: 35 says
You were shown these things
so that you might know that the Lord is God;
besides him there is no other."

I have been in ministry for 30 years. Now and then I'd ask myself the question, where is our opponent, the Church of Satan? The Satanic Church is not visible like the Christian church in America.

Well now I think I have the answer. The Satanic Church has been right in front of me the whole time. I just couldn't see it.
